Re: Notice of Written Ex Parte In the matter of *Rules and Regulations Implementing the Telephone Consumer Protection Act of 1991* (CG Docket No. 02-278)

Dear Ms. Dortch:

On Tuesday, October 18, Holly Borgmann, Head of Government Affairs for ADT, along with Alex Hecht and Rachel Nemeth of ML Strategies and Russell Fox of Mintz Levin, met with Holly Saurer from the Office of Chairman Wheeler. The purpose of this meeting was to discuss policy proposals that aim to provide consumers with greater protections under the Telephone Consumer Protection Act (TCPA).

ADT is working with industry, public interest groups, and congressional staff on a legislative proposal that would offer incentives to spur greater business use of compliance programs and clarify vicarious liability provisions. As ADT has previously discussed with the Commission¹, this legislative proposal served as the basis for the language in an amendment to the FCC Reauthorization Act of 2016 filed by Senator Daines (R-MT). Since the Daines Amendment was filed, ADT and other interested stakeholders have engaged in discussions about how this proposal may improve compliance with the TCPA.

Pursuant to Section 1.1206 of the Commission's rules, this letter is being filed via ECFS, and a copy will be provided via email to the attendees.

Sincerely,

A handwritten signature in black ink, appearing to read 'Alex', with a long, sweeping horizontal line extending to the right across the signature area.

Alex Hecht

Vice President of Government Relations, ML Strategies

Cc: Holly Saurer, Office of Chairman Wheeler
